

Materials

- The following materials are intended to support the ***Phonological Awareness*** exercises in the PA Activity cards.
- The footer of each picture group references the specific activity the picture is intended to support.
 - Example: The footer 2F indicates this group of pictures supports Level 2 activity F.
 - Note that some pictures may be used for multiple activities.
- When printing these materials, be sure to print them single-sided, as the picture cards will need to be cut apart.
