

Math Lesson Sequence

Book # 1		
Materials: <i>Counting at School</i> book (see website), most recently read math book, student work mats, manipulatives (5 per student), Practice and Play student answer sheets (see website)		
	Warm Up	Skill/Activity
Lesson 1	Rote counting 1-10	Read <i>Counting at School</i>
Lesson 2	Rote counting 1-10	Counting walk around school
Lesson 3	Rote counting 1-10	Counting groups 0f 1-5
Lesson 3A	Rote counting 1-10	Counting with groups of 1-5 (review)
Lesson 3B	Rote counting 1-10	Counting with groups of 1-5 (review)
Lesson 4	Rote counting 1-10	Quick recognition of quantities 1-5
Practice & Play #1 (Thumbs up/down)		Counting with groups of 1-5
Practice & Play #2 (Eye Spy)		Counting with groups of 1-5

Book # 2		
Materials: most recently read math book, student work mats, manipulatives in multiple colors, tactile numeral cards 0-5 (3 sets), Practice and Play student answer sheets (see website)		
	Warm Up	Skill/Activity
Lesson 1	Number line counting 1-10	Number recognition 0-2
Lesson 1A	Number line counting 1-10	Number recognition 0-2 (review)
Lesson 1B	Number line counting 1-10	Number recognition 0-2 (review)
Lesson 2	Number line counting 1-10	Number recognition 3-5
Lesson 2A	Number line counting 1-10	Number recognition 3-5 (review)
Lesson 2B	Number line counting 1-10	Number recognition 3-5 (review)
Lesson 3	Number line counting 1-10	Number recognition 0-5
Lesson 3A	Number line counting 1-10	Number recognition 0-5 (review)
Lesson 3B	Number line counting 1-10	Number recognition 0-5 (review)
Practice & Play #1 (Thumbs up/down)		Number recognition 0-5
Practice & Play #2 (Eye Spy)		Number recognition 0-5

Book # 3		
Materials: most recently read math book, student work mats, manipulatives in multiple colors, Practice and Play student answer sheets (see website)		
	Warm Up	Skill/Activity
Lesson 1	Movement patterns	Copy the pattern
Lesson 1A	Movement patterns	Copy the pattern (review)
Lesson 1B	Movement patterns	Copy the pattern (review)
Lesson 2	Number Recognition 0-5	Counting with groups of 6-10
Lesson 2A	Number Recognition 0-5	Counting with groups of 6-10 (review)
Lesson 2B	Number Recognition 0-5	Counting with groups of 6-10 (review)
Practice & Play #1 (Thumbs up/down)		Copy the pattern and counting 6-10
Practice & Play #2 (Eye Spy)		Copy the pattern and counting 6-10

Book #4		
Materials: most recently read math book, student work mats, manipulatives in multiple colors, tactile numeral cards 0-10		
(3 sets), Practice and Play student answer sheets (see website)		
	Warm Up	Skill/Activity
Lesson 1	Number line counting 1-20	Number recognition 6-8
Lesson 1A	Number line counting 1-20	Number recognition 6-8 (review)
Lesson 1B	Number line counting 1-20	Number recognition 6-8 (review)
Lesson 2	Number line counting 1-20	Number recognition 9&10
Lesson 2A	Number line counting 1-20	Number recognition 9&10 (review)
Lesson 2B	Number line counting 1-20	Number recognition 9&10 (review)
Lesson 3	Number line counting 1-20	Number recognition 0-10
Lesson 3A	Number line counting 1-20	Number recognition 0-10 (review)
Lesson 3B	Number line counting 1-20	Number recognition 0-10 (review)
Practice & Play #1 (Thumbs up/down)		Number recognition 0-10
Practice & Play #2 (Eye Spy)		Number recognition 0-10

Book #5		
Materials: most recently read math book, student work mats, manipulatives in multiple colors, Practice and Play student answer sheets (see website)		
	Warm Up	Skill/Activity
Lesson 1	Number recognition 0-10	Same/different
Lesson 1A	Number recognition 0-10	Same/different (review)
Lesson 1B	Number recognition 0-10	Same/different (review)
Lesson 2	Number recognition 0-10	More than
Lesson 2A	Number recognition 0-10	More than (review)
Lesson 2B	Number recognition 0-10	More than (review)
Lesson 3	Number recognition 0-10	Less than
Lesson 3A	Number recognition 0-10	Less than (review)
Lesson 3B	Number recognition 0-10	Less than (review)
Practice & Play #1 (Thumbs up/down)		Same/different, more/less than
Practice & Play #2 (Eye Spy)		Same/different, more/less than

Book # 6		
Materials: most recently read math book, student work mats, manipulatives in multiple colors, Practice and Play student answer sheets (see website)		
	Warm Up	Skill/Activity
Lesson 1	Movement patterns	Extend the pattern, ABAB
Lesson 1A	Movement patterns	Extend the pattern, ABAB (review)
Lesson 1B	Movement patterns	Extend the pattern, ABAB (review)
Lesson 2	What number comes next	Addition with sums of 2-4
Lesson 2A	What number comes next	Addition with sums of 2-4 (review)
Lesson 2B	What number comes next	Addition with sums of 2-4 (review)
Lesson 3	What number comes next	Addition with sums of 4-6
Lesson 3A	What number comes next	Addition with sums of 4-6 (review)
Lesson 3B	What number comes next	Addition with sums of 4-6 (review)
Practice & Play #1 (Thumbs up/down)		Addition with sums of 2-6
Practice & Play #2 (Eye Spy)		Addition with sums of 2-6

Book # 7		
Materials: most recently read math book, student work mats, manipulatives in multiple colors, Practice and Play student answer sheets (see website)		
	Warm Up	Skill/Activity
Lesson 1	Movement patterns	Extend the pattern, ABBA
Lesson 1A	Movement patterns	Extend the pattern, ABBA (review)
Lesson 1B	Movement patterns	Extend the pattern, ABBA (review)
Lesson 2	What number came before	Subtraction starting with 2-4
Lesson 2A	What number came before	Subtraction starting with 2-4 (review)
Lesson 2B	What number came before	Subtraction starting with 2-4 (review)
Lesson 3	What number came before	Subtraction starting with 4-6
Lesson 3A	What number came before	Subtraction starting with 4-6 (review)
Lesson 3B	What number came before	Subtraction starting with 4-6 (review)
Practice & Play #1 (Thumbs up/down)		Subtraction starting with 2-6
Practice & Play #2 (Eye Spy)		Subtraction starting with 2-6

Book # 8 (Beyond the Standards)		
Materials: most recently read math book, student work mats, manipulatives in multiple colors, Practice and Play student answer sheets (see website)		
	Warm Up	Skill/Activity
Lesson 1	Movement patterns	Create a pattern
Lesson 1A	Movement patterns	Create a pattern
Lesson 1B	Movement patterns	Create a pattern
Lesson 2	Number line 1-20	Number recognition 11-20
Lesson 2A	Number line 1-20	Number recognition 11-20 (review)
Lesson 2B	Number line 1-20	Number recognition 11-20 (review)
Lesson 3	What number comes next	Addition with sums of 6-10
Lesson 3A	What number comes next	Addition with sums of 6-10 (review)
Lesson 3B	What number comes next	Addition with sums of 6-10 (review)
Lesson 4	What number came before	Subtraction starting with 6-10
Lesson 4A	What number came before	Subtraction starting with 6-10 (review)
Lesson 4B	What number came before	Subtraction starting with 6-10 (review)
